Your tax deductible membership is needed to keep us up and running. We depend on the support of members to feed and care for the animals and basic upkeep. Our programming committee is gearing up for a great line up of classes for young and old at Clearwater Farm and our members get great discounts. Most importantly, with the annual membership, you are supporting and participating in doing something really good for the long-term health of your community. **Please consider joining today! We would love to have you join our farm family!**
